

THE HARDING MILLER EDUCATION FOUNDATION SCHOLARSHIP

APPLICATION GUIDELINES

The Harding Miller Education Foundation Scholarship Program provides practical support to lift the educational and career aspirations of high potential Australian girls who are facing socio-economic hardship.

New scholarships are valued at approximately \$20,000 over the course of 4 years. Scholarships are provided as a 'toolkit' that students can use to support their pursuit of academic excellence. Successful applicants for 2020 will receive the following 2 years' support:

- High quality lap-top and help desk support
- 4G mobile broadband including 6GB internet per month
- \$2,500.00 of 'face to face' tutoring per year
- Subscription to an online study help provider
- \$600.00 pre-paid card for school expenses per year
- Mentoring from a personal coach

Students will receive a two-year scholarship subject to students' ongoing dedication to school and tertiary education ambitions. The Foundation intends to support students for another two years until they graduate from High School.

At the end of each year, students will be required to provide to the Harding Miller Education Foundation evidence of their successful progress through their study by completing an online survey and uploading their most recent reports. If an applicant fails to submit the annual survey, the Harding Miller Education Foundation reserves the right to terminate the scholarship.

Students must read the scholarship Terms and Conditions before applying for the scholarship. Scholarship recipients will be invited to apply to extend their scholarship at the end of year 10.
