EDUCATION FOUNDATION

2016 Annual Report

**Visible, Successful, Recognised,
Confident Women & Girls**

What we do

Provide scholarships to Australian girls with high academic potential who are experiencing hardship.

We focus solely on public schools with the intention of bolstering the prospects, confidence and achievements of girls while they stay within their family, within their school and within their community.

ABOUT US

The Harding Miller Education Foundation is an Australian charity with a mission to lift the educational and career aspirations of high potential girls who are experiencing disadvantage. We do this by providing female students who are studying in Australian public schools with tools, services and financial support from Year 9 until the completion of their high school years.

MISSION

Visible, successful, recognised, confident women and girls.

VISION

To provide practical support to lift educational outcomes and career aspirations of high potential girls experiencing disadvantage.

VALUES

Compassion, Effectiveness, Helping, Tolerance, Courage, Justice, Freedom, Passion.

THE CHALLENGES AND OUR SOLUTION – GLOBAL GOALS

The United Nations sustainable development goals are a blueprint to achieve a better and more sustainable future for all.

The UN sustainable goals state that education enables upward socioeconomic mobility that is key to escaping poverty.

At the Harding Miller Education Foundation we are taking action on the UN sustainable development goals, particularly:

Goal 1

END POVERTY
IN ALL ITS FORMS
EVERYWHERE

Goal 4

QUALITY
EDUCATION

Goal 5

ACHIEVE GENDER
EQUALITY & EMPOWER
ALL WOMEN & GIRLS

Goal 10

REDUCE INEQUALITY
WITHIN & AMONG
COUNTRIES

ADVANCING GIRLS EDUCATION ACROSS AUSTRALIA

OUR MISSION is to create a positive social impact by lifting educational outcomes of high potential Australian girls currently experiencing disadvantage.

WE HOPE TO TELL THE WORLD that through a personalised approach to educating and supporting girls we can break the cycle of poverty and improve the representation of women in Australian leadership.

HOW? We offer an academic scholarship program that has supported many girls in high schools across New South Wales. Our scholarship recipients are experiencing low socioeconomic circumstances and need support to achieve their dreams of university and fulfilling sustainable careers. The HMEF program is a multi-layered support framework of academic and technology resources with personal coaching designed to inspire and empower a fresh generation of proud Australian women. Our scholars are the future leaders, influencers, and innovators of Australia.

It is our great pleasure to introduce the 2016 Harding Miller Education Foundation Annual Report. This is our first Annual Report for the Foundation. We have been committed supporters of public education for many decades and we want to enable young women to achieve their potential and grow to be industry and community leaders of the future. We believe there is no better way to lift the disadvantage of girls and women at risk than to invest in education which is why we have started this scholarship program.

Women continue to be overrepresented in areas of disadvantage and underrepresented in positions of power and influence. Research indicates that funding of mainstream programs, particularly those that do not consider gender differences, generally underserve women. Our approach derives from a desire to ensure that women (and consequently their children) do not miss out.

We know that investing in women builds stronger families, communities and economies. We believe by providing scholarships in the form of educational tools and financial support gives at-risk female students an opportunity to achieve their education goals and future career aspirations. When a girl has educational opportunities, it can break the vicious cycle of poverty. We will provide female students with equipment and appropriate resources including tutoring and coaching so they can have the opportunity to complete high school and undertake further education after school.

It is with sincere gratitude that we acknowledge each of the volunteers, coaches and donors who have joined with us to support the scholarship recipients.

We have an ambition to grow the number of students that the Foundation supports and to broaden the availability of the support to students in public schools in all states and territories of Australia.

Our vision is to enable women and girls who have overcome disadvantage to become visible, successful, recognised, confident women who can aspire to be whatever they want to be and contribute positively to a fairer and more equal society.

Kim Harding and Irene Miller

“ When a girl has educational opportunities, it can break the vicious cycle of poverty. ”

EXECUTIVE DIRECTOR'S REPORT

MESSAGE FROM THE EXECUTIVE DIRECTOR

It is exciting to start something new and create meaningful change. In 2016, we have introduced a new scholarship program for Australian girls who have high academic potential and are experiencing socio-economic disadvantage.

It is a new scholarship model in Australia drawing from best practice in scholarship delivery and education achievement. It has been designed with the input of education experts and academic research. We have taken a practical approach to the delivery of the scholarship partnering with organisations who can reliably deliver the scholarship components to every corner of New South Wales, and in time the whole country. We want to make sure that the scholarship experience is as valuable for a student in inner city Sydney as it is to a student in the remote opal mining town of Lightning Ridge.

As an organisation we understand that execution is key to success, which means that we value flexibility and innovation. We want to make the scholarship better every year. It is the most valuable scholarship available to public high school students in the country and we hope that we can make the scholarship more valuable as time goes on.

I want to thank the army of volunteers and advisers who have supported me in bringing the Harding Miller vision into a tangible and effective scholarship program.

Cara Varian

“We foster a generation of female leaders who can leave intergenerational poverty behind.”

OUR HISTORY

The Harding Miller Education Foundation was founded in 2015 by Kim Harding and Irene Miller. It is based in Sydney and focussed on supporting female students attending public high schools in New South Wales.

Kim Harding and Irene Miller are committed philanthropists and have been significant donors to the New South Wales Public Education Foundation over the past three years. Their donations have funded financial scholarships to support 95 female students in 38 NSW public high schools. The scholarships have been targeted at girls in Year 9 who are facing disadvantage. Geographically spread across New South Wales, the students have experienced various kinds of disadvantage, including physical disabilities, geographic or social isolation, and socio-economic disadvantage.

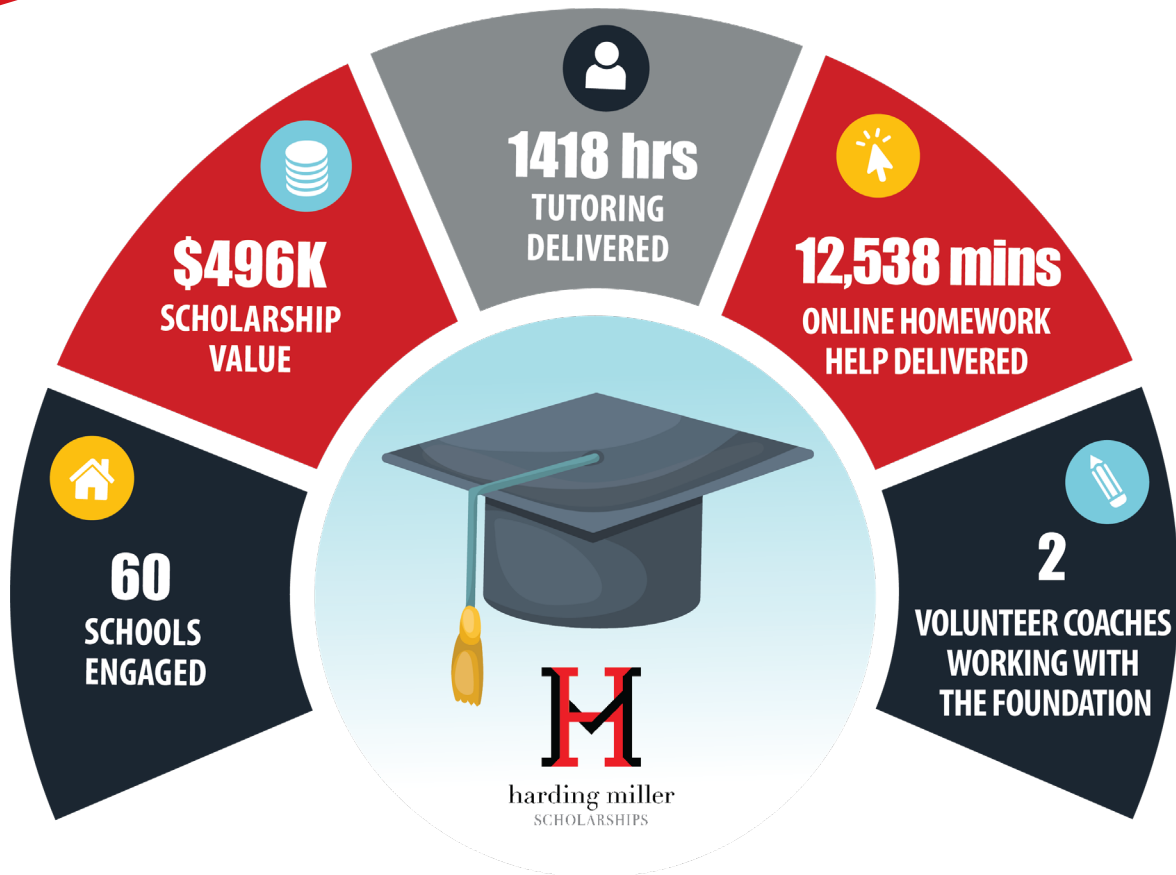

As each individual student's need was different, the scholarship funds were provided to the school principals to distribute. The scholarship funds generally covered expenses such as uniforms, school and elective subject fees, excursions and camps, stationery, textbooks and specialised equipment, laptops or tablets, internet connection and tutoring.

The establishment of the Harding Miller Education Foundation is designed to build on the considerable impact of the scholarships that were provided through the Public Education Foundation and enable the Founders to change the model of support, increase and strengthen the support provided to individual students and in turn grow the impact of their investment in the education of girls in need.

“ We know that investing in women builds stronger families, communities and economies ”

OUR IMPACT

WE ARE CONTRIBUTING TO THE SUSTAINABLE DEVELOPMENT GOALS

1 NO
POVERTY

INTERGENERATIONAL POVERTY

ACCESS TO EDUCATION IS DIMINISHED FOR AUSTRALIA'S MOST VULNERABLE. BY FOCUSING ON A COMPREHENSIVE AND PERSONALISED APPROACH TO QUALITY EDUCATION AND CAREER IDENTIFICATION, HMEF FOSTERS A GENERATION OF FEMALE LEADERS WHO CAN LEAVE INTERGENERATIONAL POVERTY BEHIND.

STRATIFICATION OF THE PUBLIC SCHOOL SYSTEM

THE HMEF PROGRAM OFFERS PERSONALISED SUPPORT TO GIRLS WITHIN THEIR FAMILIES, COMMUNITIES, AND PUBLIC SCHOOLS. THE PROGRAM SUPPORTS INDIVIDUAL STUDENTS BUT ALSO THEIR GOVERNMENT SCHOOLS. ALMOST ALL STUDENTS WE SUPPORT ATTEND SOCIO-ECONOMICALLY DISADVANTAGED PUBLIC SCHOOLS.

4 QUALITY
EDUCATION

5 GENDER
EQUALITY

FEMALE LEADERSHIP IN BALANCE

THE HMEF SCHOLARSHIP PROGRAM IS DESIGNED TO PROVIDE THE STUDENTS WITH THE RESOURCES, EDUCATION, NETWORK, AND CONFIDENCE TO ENABLE THEM TO MOVE INTO SENIOR AND LEADERSHIP POSITIONS IN THEIR CHOSEN FIELD.

10 REDUCED
INEQUALITIES

The Awards Night was held on 18 May 2016 and is an opportunity to celebrate the scholarship recipients' achievements and potential. It is also an important occasion to welcome the students to the scholarship program and meet the Foundation staff who will support them over the next four years.

The Harding Miller Education Foundation has partnered with the Public Education Foundation to host this very special event at the Sydney Town Hall. Each scholarship recipient, their families and their school principal are invited to attend the event. For those students who live outside of Sydney, the Foundation provides support for them to travel to and stay in Sydney so they can also be part of this important day.

This year Wendy Harmer was the MC. She is an author, children's writer, playwright, television personality, comedian and host of ABC Sydney 702 Mornings program. Wendy is a passionate supporter of public education. Our keynote speaker was Professor Brian P. Schmidt. He was appointed Vice-Chancellor and President of The Australian National University (ANU) in January 2016. Professor Schmidt is the 12th Vice-Chancellor of ANU and the winner of the 2011 Nobel Prize in Physics.

Trish Nguyen

Trish Nguyen is a student at Cabramatta High School located in South-Western Sydney who comes from a non-English speaking background and a single-parent home. Described by her school principal as a high achieving student who contributes to extra-curricular programs, the scholarship will greatly support the family to be able to purchase books, equipment and other student materials. Her Mathematics teacher also described Trish as an independent learner with an inquisitive mind who is highly motivated and self-disciplined. "This scholarship will benefit my studies, assist my family and will provide an opportunity for me to develop more towards the future. It will give me the chance to do well so in the future I will be a successful person".

Asal Khalaf

Asal Khalaf is a student at Birrong Girls High School and comes from a refugee background originally from Iraq. She comes from a family of 6 and they have experienced many challenges and financial hardship. The family fled Iraq for the children to get a better education. Asal's school principal describes her as excelling in her academic achievements across all subjects through her determination, diligence and sustained effort and is confident that she will attain her goal to attend university. "The Harding Miller Scholarship will definitely help me with all my needs for school. Having a laptop, going on all school excursions and having face-to-face tutoring will definitely make me a more successful student in the future."

Fereshta Jamshidi

Fereshta Jamshidi is also a student at Birrong Girls High School and comes from a refugee background originally from Afghanistan. She has a large family of 8 who face financial difficulties. The family has been supported through the school student assistance funds to enable Fereshta to be able to access curriculum resources. Her year advisor has described Fereshta as an extremely conscientious and motivated student who always tries to achieve her best and has her sights firmly set on attending university. "I have a great family but the problem is that we are a big family. There are eight people and six children. It would be great to have a scholarship because I am sure that I will not be able to have a computer or go on my excursions, pay my school fees and buy a uniform. Learning is my key to success and so I will try harder and harder every year. I believe that the scholarship would be a great help to me".

MEET OUR SCHOLARS

Emily Muir

Emily Muir is a student at Mount Austin High School located near Wagga Wagga in NSW. "I am applying for this scholarship because I am determined to be the first person in my family to finish high school and attend university." Emily's school principal describes her as motivated, determined and committed to achieving high outcomes. Her achievements have been in the context of difficult financial and family circumstances at home. Emily always participates in every facet of school life to the very best of her ability and shows great interest in community activities.

Ngan Nguyen

Ngan is a student at Prairiewood High School in Sydney of Vietnamese background. She has always wanted to become a doctor and knew from an early age that she had to work extremely hard to make her dream a reality. "My parents can only support me emotionally in my dream to become a doctor, because they are very limited financially and socially. If I was successful in getting this scholarship, I would use the money to pay for tutoring and help my parents pay for all my school costs." Ngan is described by her teacher as an exceptionally gifted young learner who has demonstrated a strong desire to be committed to and make the most of her education. She possesses limitless potential whether it be intellectual, creative or social. Across all criteria, she is outstanding.

Sienna Quinane

Sienna is a conscientious and diligent student at Banora Point High School located in the Northern Rivers region of NSW. Sienna's Head Teacher describes her as a polite and mature young lady who leads her peers in many tasks and her hardships have never been used as an excuse for not completing assignments and participating in activities. Sienna hopes the scholarship will ease the financial burden and stress on her mother and dreams of going to university to study science and perhaps pursuing a career in psychology, neuropsychology or veterinary science.

THE BOARD

KIM HARDING

Founder & Chairperson

Kim is an Australian business leader, horse racing enthusiast and art collector. In life and in business, she is a creative innovator and brings this focus to the Harding Miller Education Foundation.

IRENE MILLER

Founder & Deputy Chairperson

Irene is an accomplished retired public school teacher. She was also a consultant for the Disadvantaged Schools Program, Non-Sexist Education Unit and worked on the National Languages Policy.

CARA VARIAN

Executive Director

Cara is an experienced leader across the government, corporate and not-for-profit sectors. She is an unwavering advocate of public education and gender equity.

ANGELLA BREGOVAC

Director

Angella is a Special Counsel at Minter Ellison. She advises ASX listed and unlisted entities in numerous industry sectors including property, infrastructure, resources, construction, telecommunications and agriculture.

STEVE DI LEO

Director

Steve is a Chartered Accountant and Chartered Tax Advisor of the Taxation Institute of Australia. He has 20 years' experience as a Tax Accountant and is a Partner at Titan Partners.

ADAM HARRIS

Director

Adam is passionate and dedicated Chief Financial Officer for various small and medium sized businesses. He specialises in developing robust finance systems and controls and advising on Board and Private Equity requirements and reporting.

FOUNDATION STAFF

CARA VARIAN

Cara has experience managing teams across the government, corporate and not-for-profit sectors. She is an unwavering advocate of public education and gender equity.

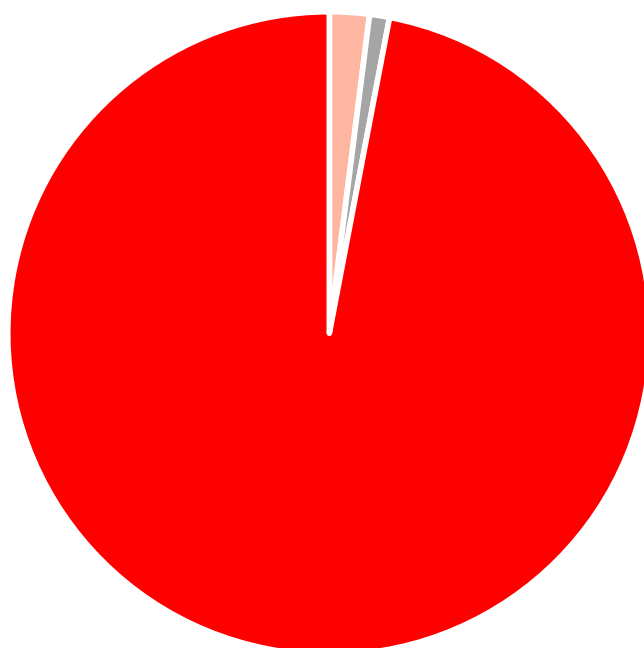

TOM RIMMELD

Tom has over 40 years' experience working in finance and accounting both to the commercial and NFP sectors.

VOLUNTEERS & COACH PROGRAM

The Harding Miller Education Foundation is driven by volunteers who give their time and expertise to support scholarship recipients. The role of the volunteer coach is a crucial element of our support-focused scholarship model. They are education advocates and support our scholarship recipients to overcome barriers to success and imagine a future beyond their current experience.
