What we do

Provide scholarships to Australian girls with high academic potential who are experiencing hardship.

We focus solely on public schools with the intention of bolstering the prospects, confidence and achievements of girls while they stay within their family, within their school and within their community.

ABOUT US

THE FOUNDATION

3

The Harding Miller Education Foundation is an Australian charity with a mission to lift the educational and career aspirations of high potential girls who are experiencing disadvantage. We do this by providing female students who are studying in Australian public schools with tools, services and financial support from Year 9 until the completion of their high school years.

MISSION

Visible, successful, recognised, confident women and girls.

VISION

To provide practical support to lift educational outcomes and career aspirations of high potential girls experiencing disadvantage.

VALUES

Compassion, Effectiveness, Helping, Tolerance, Courage, Justice, Freedom, Passion.

THE CHALLENGES AND OUR SOLUTION – GLOBAL GOALS

The United Nations sustainable development goals are a blueprint to achieve a better and more sustainable future for all.

The UN sustainable goals state that education enables upward socioeconomic mobility that is key to escaping poverty.

At the Harding Miller Education Foundation we are taking action on the UN sustainable development goals, particularly:

Goal 1

END POVERTY
IN ALL ITS FORMS
EVERYWHERE

Goal 4

QUALITY
EDUCATION

Goal 5

ACHIEVE GENDER
EQUALITY & EMPOWER
ALL WOMEN & GIRLS

Goal 10

REDUCE INEQUALITY
WITHIN & AMONG
COUNTRIES

ADVANCING GIRLS EDUCATION ACROSS AUSTRALIA

OUR MISSION is to create a positive social impact by lifting educational outcomes of high potential Australian girls currently experiencing disadvantage.

WE HOPE TO TELL THE WORLD that through a personalised approach to educating and supporting girls we can break the cycle of poverty and improve the representation of women in Australian leadership.

HOW? We offer an academic scholarship program that has supported many girls in high schools across the East coast of Australia. Our girls are experiencing low socioeconomic circumstances and need support to achieve their dreams of university and fulfilling sustainable careers. The HMEF program is a multi-layered support framework of academic and technology resources, personal coaching and enrichment, designed to inspire and empower a fresh generation of proud Australian women. Our scholars are the future leaders, influencers, and innovators of Australia.

MESSAGE FROM THE FOUNDERS

We are pleased to introduce the 2017 Harding Miller Education Foundation Annual Report and can report that we are growing!

This year the Foundation supported 188 scholarship recipients. Our ambition from the start was to grow the number of scholarships to be able to support students from public schools across Australia.

We are delighted with the progress made in 2017 and we are on track to substantially grow our scholarship recipient numbers, donor numbers and our volunteers into the future.

Our support in 2017 included the provision of a laptop, high speed internet, online tutoring and resources including a gift card to purchase school equipment.

Our sincere thanks and gratitude to each of the volunteers, coaches and donors that have joined with us to support the scholarship recipients. Together we are improving the lives of these young women to overcome disadvantage and provide them with the tools to be successful, confident women in the future.

We look forward to continuing to grow the Foundation and support more female students in public schools in all states and territories of Australia.

EXECUTIVE DIRECTOR'S REPORT

MESSAGE FROM THE EXECUTIVE DIRECTOR

This year has been characterised by growth. We are excited to be supporting more and more students. In turn, that means working with families, more schools, more volunteers, more donors and more tutoring providers.

We have welcomed one new staff member and more than 30 new volunteers to the organisation. On a personal note, I have also welcomed someone new to my family too, and so I spent a significant part of this year on maternity leave. Thank you to Zoe Roddy for ably managing the Foundation during that time.

Importantly, in 2017 we have put a lot of effort into ensuring that the systems we have in place to support scholarship applicants and recipients are secure, robust and reliable. We have invested in systems that will enable the Foundation to scale but still allow us to provide personalised support to scholarship recipients.

One significant change that we have achieved this year is to move our application process from paper based to online. This change is important as it will allow the application process to scale as the number of applicants grow over the coming years. It also provides us with a mechanism to more easily manage the judging process in a fair and transparent way, even as the number of applications grow.

Finally, I want to thank our new and existing donors as well as the volunteers. Without the contributions of these two generous groups, we could not deliver this high-quality scholarship program to the 188 scholarship recipients who we supported this year.

Personal Coach Support

YEAR 9 - 12

At the Harding Miller Education Foundation, we believe that the tutoring is a crucial element for the success of the student. The Foundation provides \$2,500 of face-to-face or online tutoring for each student in each year of their scholarship.

We know that one-on-one tutoring provides many benefits and improves academic performance. It can also help with self-esteem and study techniques as students feel more confident.

When a student works directly with their tutor, they can address any problems the student is having with a particular subject area which ultimately inspires the student to succeed as they start to see improvements.

With direct one-on-one tutoring, the student is able to ask specific questions about their individual needs and can address any weaknesses in a timely way. Personalised tutoring gives the students a chance to catch up on lost learning opportunities or accelerate their learning to meet their potential. The tutor is also able to give the student good study tips and customised programs in order for the student to reach their full potential in exams and assignments.

2017 AWARDS NIGHT

The Awards night was held on 17 May 2017 and it is a very special night in the Foundation's calendar. It is such a joy for the Harding Miller staff and coaches to meet the scholars who we support but it is a transformational day for the scholarship recipients.

For many of the students it is the first time they have been to the historic Sydney Town Hall and for some of the rural students it is the first time they have been to Sydney. For some students it is the first time they have been on a plane, a train, a taxi or even seen the sea.

You can witness the students' confidence grow as they get to know their program peers, learn more about the support available and truly grasp the significance of their achievement.

This year we have expanded the experience and invited students to join us earlier in the day so they can get to know each other, the staff, their coaches and some of our tutoring providers.

We are grateful for the partnership with the Public Education Foundation, which hosts this amazing evening. The evening ceremony was as spectacular as ever with entertainment provided by some of the most talented students in NSW. This year our MC was Annabel Crabb who is a journalist, commentator and presenter. The keynote speaker was Kurt Fearnley OAM, three-time Paralympic Gold Medallist.

And special thanks to Felicity Kean, one of our fabulous coaches, who presented the scholarship certificates to the students on stage while Cara was on maternity leave.

BROOKLYN PAULSON

Brooklyn is a proud Aboriginal student from Great Lakes College, Tuncurry Campus which is located in the mid north coast region of New South Wales. She comes from a large family with two brothers and three sisters. "This scholarship would mean the world to me. I enjoy going to school..... sometimes it can be hard for me to go on excursions or do extra-curriculum activities. Having the support from the Harding Miller Education Foundation would change my life..." Her school principal describes her as a mature and responsible young lady with high academic potential who dreams of being the first person from her family to go to University and has ambitions to work in the area of science.

CLEO BER

Cleo is a popular and well-respected student at Burwood Girls High School in Sydney. Cleo is very creative and would love to do an exchange trip to France and study psychology at university. The scholarship will enable her to have a computer and also to study electives like music and dance. Cleo's English teacher describes her as an exemplary student who is conscientious, dedicated and always does her best. "Cleo is a talented and creative student who is prepared to share and assist other students and I have no hesitation in recommending Cleo for this scholarship."

ZAHRAA GHADDAR

Zahraa is a student at Merrylands High School located in western Sydney. Being awarded the Harding Miller Education Scholarship gives her hope for the future and is the key to being able to achieve her goals of attending university. "Attaining this scholarship would mean the world to me, education is my life; if I didn't have it then I don't see much hope for me". Zahraa is described by her school principal as a quiet achiever who holds her secondary education in the highest regard. Her family has experienced personal trauma resulting in severe socioeconomic disadvantage. "The scholarship will provide Zahraa with the resources she needs to achieve her academic goals and fulfil the potential that her teachers have seen in her."
