EDUCATION FOUNDATION

2020 *Annual Report*

What we do

Provide scholarships to Australian girls with high academic potential who are experiencing hardship.

We focus solely on public schools with the intention of bolstering the prospects, confidence and achievements of girls while they stay within their family, within their school and within their community.

SUPPORTING OUR WORK

How you can help	21
------------------	----

Quote from 2020 Year 12:

“ I'm thoroughly honoured and grateful for being part of Harding Miller Education Foundation. This scholarship has supported my education and wellbeing since day one in numerous ways. Firstly, I have had a great mentor who has been a massive supporter and motivator, who encourages me to be the best I can be - not only in school but in life as well. She has also guided and provided me with valuable advice that has given me more confidence in myself. Secondly, the expenses for tutoring and vouchers has helped my family financially, allowing me to gain access to resources to help improve my studies and excel in school. Thirdly, the laptop and the data provided have helped me complete an abundance of school work and assignments, as well as allowing me to attend zoom calls this year- I brought my laptop to school every day to do all my tasks. ”

ABOUT US

The Harding Miller Education Foundation is an Australian charity with a mission to lift the educational and career aspirations of high potential girls who are experiencing disadvantage. We do this by providing female students who are studying in Australian public schools with tools, services and financial support from Year 9 until the completion of their high school years.

MISSION

Visible, successful, recognised, confident women and girls.

VISION

To provide practical support to lift educational outcomes and career aspirations of high potential girls experiencing disadvantage.

VALUES

Compassion, Effectiveness, Helping, Tolerance, Courage, Justice, Freedom, Passion.

THE CHALLENGES AND OUR SOLUTION – GLOBAL GOALS

The United Nations sustainable development goals are a blueprint to achieve a better and more sustainable future for all.

The UN sustainable goals state that education enables upward socioeconomic mobility that is key to escaping poverty.

At the Harding Miller Education Foundation we are taking action on the UN sustainable development goals, particularly:

Goal 1

END POVERTY
IN ALL ITS FORMS
EVERYWHERE

Goal 4

QUALITY
EDUCATION

Goal 5

ACHIEVE GENDER
EQUALITY & EMPOWER
ALL WOMEN & GIRLS

Goal 10

REDUCE INEQUALITY
WITHIN & AMONG
COUNTRIES

ADVANCING GIRLS EDUCATION ACROSS AUSTRALIA

OUR MISSION is to create a positive social impact by lifting educational outcomes of high potential Australian girls currently experiencing disadvantage.

WE HOPE TO TELL THE WORLD that through a personalised approach to educating and supporting girls we can break the cycle of poverty and improve the representation of women in Australian leadership.

HOW? We offer an academic scholarship program that has supported many girls in high schools across Australia. Our girls are experiencing low socioeconomic circumstances and need a leg-up to achieve their dreams of university and fulfilling sustainable careers. The HMEF program is a multi-layered support framework of academic and technology resources, personal coaching and enrichment, designed to inspire and empower a fresh generation of proud Australian women. Our scholars are the future leaders, influencers, and innovators of Australia.

It is our great pleasure to introduce the 2020 Harding Miller Education Foundation Annual Report.

2020 was definitely not the year we all expected. The world was faced with a global pandemic – Covid 19 and in Australia we battled a terrible bushfire season. However, the Harding Miller Education Foundation proved resilient and we worked harder than ever to ensure we invested extra time and care to support our most vulnerable students in these difficult times.

For the first year, we now have students on a Harding Miller Education Scholarship in every State and Territory of Australia. A wonderful achievement and one we are extremely proud of.

We are also delighted this year to have a partnership with the Quinn Femelle Private Ancillary Fund. This partnership introduces scholarships for girls in Queensland. The Quinn scholarships will focus bringing education and career opportunities to girls in Queensland public high schools.

Even though 2020 was a very disruptive school year, we continued to have successful HSC results from our students. We had one student that achieved the highest possible ATAR score of 99.95 and she also topped the State in Economics and another student who topped the State in Persian Continuers.

As has been the case with most organisations across the world, this year we all had to adapt to changing and flexible working arrangements. This coupled with the largest number of scholarship recipients in our history and having to adapt to online communications, online award ceremonies and extra support provided to our girls, has been extremely challenging.

We would like to acknowledge and thank our dedicated staff, coaches and volunteers. Our students' successes are due to your compassion, empathy and overall hard work every day.

Kim Harding and Irene Miller

Quote from a 2020 scholar:

“ I am very grateful for the scholarship that has been given to me by Harding Miller Education Foundation. It has helped me immensely in the past 4 years and I can confidently say that some of my academic successes can be credited to the help and support provided by the foundation. Thank you for continuing to be so generous in helping girls like me. ”

EXECUTIVE DIRECTOR'S REPORT

MESSAGE FROM THE EXECUTIVE DIRECTOR

The year 2020 was dominated by crisis – first the bushfires and then COVID 19 along with the ongoing health and economic consequences. Given the global, national and local backdrop, the Harding Miller Education Foundation has proven that it can overcome any crisis.

Our technology infrastructure, systems, supplier agreements, staff and volunteers were able to flexibly adjust to the needs of the students, schools, and families. It has been very pleasing to see the scholarship design grow and become more sophisticated and more flexible with the addition of the enrichment program, study skills tools, the careers in focus program, and an increase in the variety of the tutoring options.

In 2020, we saw a 23% increase in the number of students that the Foundation team supports. That increase is reflected in not only the students who are supported but also the families and the schools that we work with. With those increased numbers comes a broader range of circumstances that the students find themselves in, which in turn increases the variety of ways they need or seek support.

The year of 2020 was also the first year where our scholarship recipients were based across every state and territory, which noticeably increased the complexity of the support required. Every state has a different school system (that means every state and territory manages their reports, schools, classes, grades, teaching structures, HSC equivalent, subject selection, school terms, welfare systems, child protection systems differently). The growth and the state-based complexity - combined with the changing COVID context - made 2020 a particularly challenging year for the program team.

Thank you to all our volunteers, donors and supporters for what was an unforgettable but very successful year.

Cara Varian

“ We educate women because it is smart. We educate women because it changes the world ”

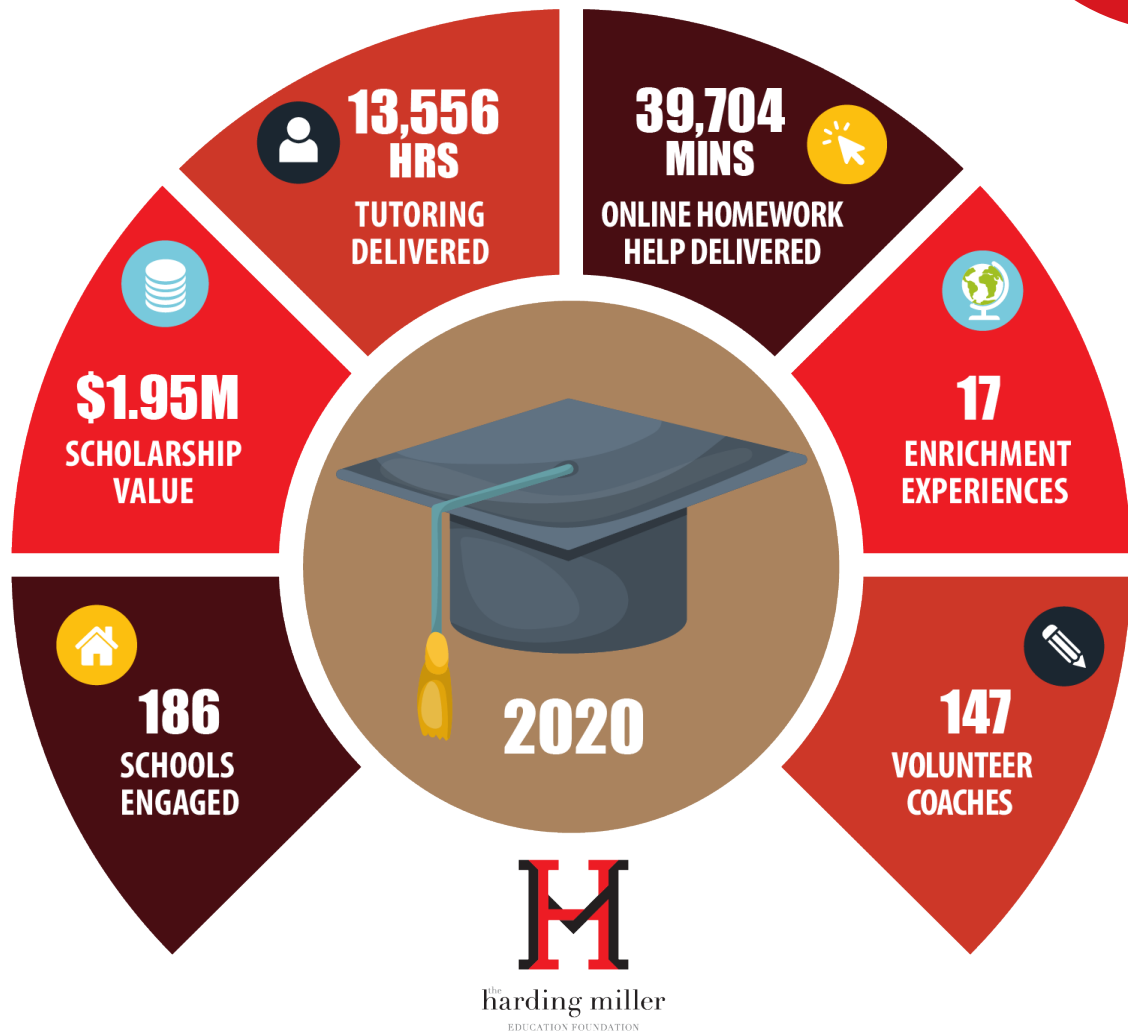

Drew Fuast

OUR IMPACT

THE SCHOLARSHIP

5

THE SCHOLARSHIP

A HOLISTIC, MULTI-LAYERED EDUCATION PROGRAM

TOOLS

- High Quality Laptop
- High-speed mobile broadband
- Remote IT Helpdesk Support

RESOURCES

- \$2500 of face-to-face or online tutoring
- Unlimited online homework help
- Pre-paid expense card for school needs

OPPORTUNITIES

- Enrichment Program
- Study Skills
- Awards Recognition and Alumni Program

**VALUED AT MORE THAN
\$20,000 ACROSS 4 YEARS**

Personal Coach Support

YEAR 9 - 12

OUR ENRICHMENT PROGRAM

Our Enrichment Program was very successful in 2020 despite the restrictions and uncertainty of COVID-19. This significantly changed the shape of the enrichment program as many of our existing enrichment partners had to transfer their programs to an online offering. This online offering benefited our regional and rural students as the online programs were available to these students for the first time.

The Foundation successfully hosted and coordinated 43 separate student-focussed online events in 2020 and many more staff and volunteer online events. We launched our online Careers in Focus sessions in 2020. These sessions are open to alumni and all scholars. Each month we featured a specific career and introduced the women in those careers. During the sessions, they discussed their favourite subjects at school, what they studied at University, their previous and current voluntary roles, current and past employment and other life hints and tips. The Careers in Focus sessions included Marketing and Communications, Procurement and Supply Chain Management, Accountancy, Paediatric Retrieval Nurse and Engineering

Other enrichment programs included:

- University of Sydney – HSC Preparation Courses - open to year 12 scholars based in the Sydney metro area
- University of NSW Gateway Program, held in Winter and Spring – This is a 100% digital program incorporating academic preparation, HSC subject revision, examination guidance, and advice on applying for an early conditional university offer to UNSW
- Beacon Foundation and their MyRoad program for Year 11 scholars – an innovative online mentoring program which connects female students to industry mentors across Australia and covers topics such as Motivation, Digital Communications, Effective Relationships and Resilience
- Ernst & Young sessions for Year 11 and 12 Sydney based scholars which includes mentoring, graduate panels, CV writing, and sessions on becoming your "best self"
- UN Youth NSW Resume Writing & Interview Tips – virtual session for All Scholars which includes resume writing, discussions of experiences that shape a person, activity reflection and UN Youth NSW volunteering opportunities
- Hands on Health Work Experience (Monash University) – virtual session for Year 10 scholars interested in a career in the Health industry
- IMEI Workplace Experience Days for Year 9 and 10 scholars, Sydney based - tailored sessions for each scholar in pre-selected topics including Finance and Marketing
- Institute of Enquiring Minds (IEM) sessions – general one-one online mentoring program.

2020 AWARDS NIGHT

THE SCHOLARSHIP

7

Due to Covid-19, the Awards night had to be cancelled. However, the Scholarship Certificates were framed and posted to each of the scholars between May and June 2020.

The scholars then completed a short online survey and sent the Foundation a photo of themselves in their school uniforms with their certificates. This information was used for our records and as part of the Foundation's marketing and promotional activities.

VIRTUAL AWARDS CEREMONIES

There were two Virtual Award Ceremonies held in August because of Covid-19:

- Queensland were held on 26 August 2020
- All other Scholars (Australia wide) were held on 31 August 2020

Both ceremonies were a success. In both ceremonies the scholars were introduced to:

- The Harding Miller Education Foundation team
- An alumni girl
- A HMEF coach

The ceremony also included a Question and Answer session and a prize giveaway.

Student from the class of 2020

☺ Thank you so much for the past four years of support. I say this with absolute truth that HMEF has truly changed my schooling life for the better. I am so grateful for all of the support and truly hope to be able to give back to this wonderful Foundation in the future. Much love ☺

HSC RESULTS CLASS OF 2020

Our second cohort of scholars – who were awarded scholarships starting in 2017 – completed their Higher School Certificate in 2020 and graduated from school. **There were 59 HMEF scholars from 44 NSW public high schools.**

ATAR RESULTS

The Australian Tertiary Admission Rank (ATAR) is a number between 0.00 and 99.95 that indicates a student's position relative to other students. So, an ATAR of 85.00 means that a student has performed better than 85% of other students in the cohort. As universities use ATARs to help them select students for their courses, the ATAR can be considered as a selection rank that provides insight as to where a student has ranked relative to everyone else.

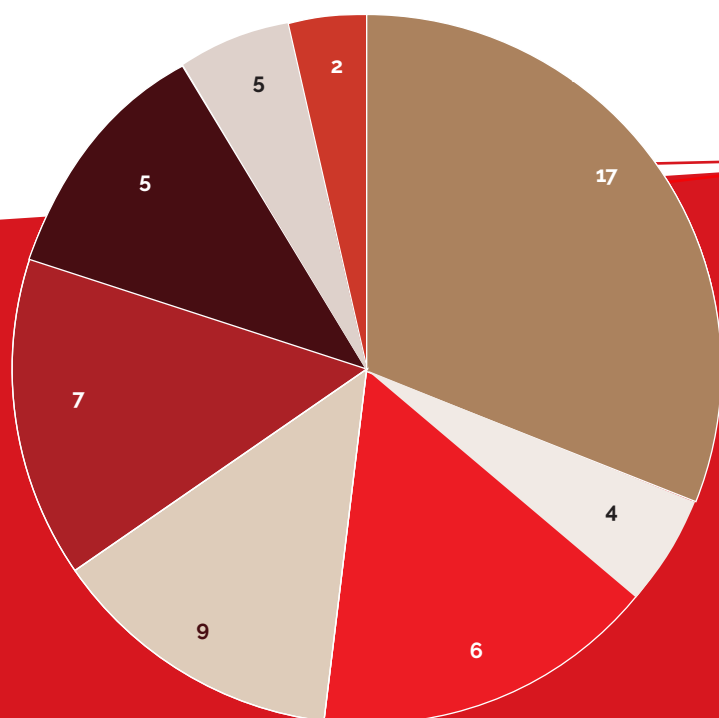

ATARs are calculated in each state to reflect a student's rank against other students in their state. In New South Wales, the ATAR is calculated and released by the Universities Admission Centre (UAC). According to UAC, the average ATAR is usually around 70 as it includes the early school leavers who don't obtain an ATAR.

We were able to obtain ATAR results for most of our 59 scholars. The highest ATAR achieved was 99.95, the highest possible score – indicating that this scholar's performance was in the top 0.25 per cent of the entire state of New South Wales. This scholar also topped the state in Economics. 33% of our scholars received an ATAR of over 90.00 and a further 8% received an ATAR of between 80.00 and 90.00. This means that 41% of our scholars received an ATAR in the top 20% of the State.

We also had 15 scholars who achieved a band 6 in one or more of their HSC subject units (Distinguished Achievers) and two scholars who achieved a band 6 in ten or more of their HSC subject units (All Round Achievers.) In addition, we had another scholar who topped the State in Persian Continuers.

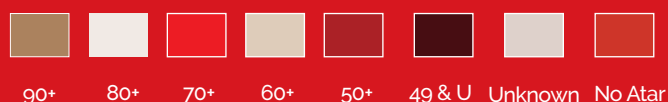

UNIVERSITY OFFERS

Many universities have an early entry offer scheme for year 12 students. Over half of our scholars reported that they had received at least one early entry offer and 24.4% indicated that they had been offered a scholarship for their post-school studies. In addition, 94% of the scholars reported that they were planning to continue onto tertiary education within the Australian university system.

← ATAR'S Breakdown

This is a remarkable achievement bearing in mind this cohort endured many difficulties due to Covid-19 and absences from school.

ANDREA JANCIK (WA)

Andrea is a student at Perth Modern School in Western Australia and has consistently achieved outstanding results in all major subjects at school. Andrea lives in a single parent household with her mother and grandmother and dreams of becoming a doctor or lawyer. Outside of school, Andrea enjoys swimming and playing netball. Her school principal says that "Andrea is a well-rounded student who has immersed herself in all aspects of her schooling life....she is a conscientious student who is eager to learn and to improve herself at every available opportunity."

SAMUDRA PATHMASIRI (VIC)

Samudra is a student at Nossal High School in Narre Warren in Victoria. Her school principal describes her as an "intelligent, inquisitive and hardworking young lady who always goes above and beyond for those around her". Unfortunately, Samudra recently lost her father suddenly to an illness and now she is living in a single parent household. Samudra is motivated to succeed in her secondary schooling and has career aspirations of becoming a paediatrician at a local clinic. She loves helping others and taking care of children.

HOPE HEDGES-MOBBS (QLD)

Hope is a student at Goondiwindi State High School which is located along the MacIntyre River in the small Queensland town of Goondiwindi. Hope competes in Pony Club championships and also enjoys reading and looking after livestock such as helping tag and muster cows. Hope's school principal says that "she is a kind-hearted student with exceptional character and outstanding academic results". Hope would like to be the first person in her family to attend university and pursue her love of horses in studies of either equine sciences or vet practices of

MEET OUR SCHOLARS

PLEIJA PAJ NTSHA THAOW (TAS)

Pleija attends Devonport High School in Tasmania and has four siblings. Her parents came from Laos as refugees and work as local gardeners to make ends meet. Pleija's family moved to Tasmania from Queensland following the destruction of their farm by a cyclone in 2011. Pleija is an exceptional student who spends hours perfecting her school projects and assignments. Her life goal is to achieve academic success to become a doctor and surgeon.

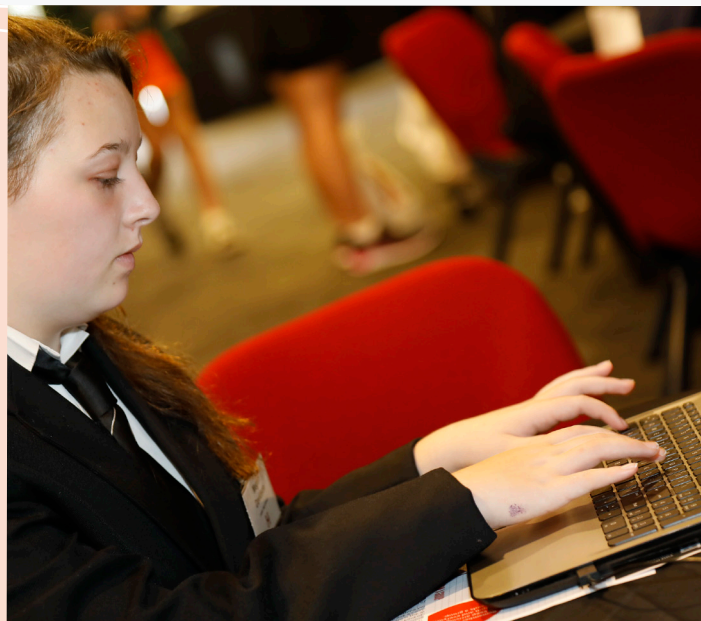

DAWNELLEN BATKIN

Dawnellen is a student from Katherine High School in the Northern Territory. This is the only high school in town with Darwin 300km away. Dawnellen lives with her grandmother and has aspirations to become a school teacher for middle years so she can help remote students learn. Her school principal says that the town of Katherine and students face many challenges in their home and school life, but despite this Dawnellen has the drive and ambition to be successful. Dawnellen also volunteers in her local hospital and visits people in need through the Red Cross.

Student from the class of 2020

“ I want to say a massive thank you to the Harding Miller Education Foundation Scholarship. I would not have been where I would be without them. Everything they provided me with made my schooling so much more valuable and took so much stress off my family which I am very grateful for. I cannot express my gratitude and my appreciation to the Foundation. What they do is very amazing, to support young girls to achieve their dream, it is very admirable. I wish nothing but the best for Harding Miller in the future! I hope they continue to help others reach success. Thank you. ”

THE BOARD

OUR PEOPLE

18

KIM HARDING

Chairperson

Kim is an Australian business leader, horse racing enthusiast and art collector. In life and business, she is a creative innovator and brings this focus to the Foundation.

IRENE MILLER

FINANCIAL REPORT

FINANCIALS

19

The following financial information has been extracted from the 2019-2020 Audited Financial Report, which can be viewed on our website. This reflects an 18 month reporting period to facilitate the Foundation moving from reporting on a financial year cycle to calendar year.

100% of all donations go directly to scholarship expenses such as tutoring, laptops, data and online homework help. Administrative and staff costs are paid separately by the Founders.

Financial report for period 1 January 2020 – 31 December 2020
